

Make your Will for Free

The Public Trustee or your QGAP
agent can make your Will for free.

Ask here or phone 1300 360 044
or visit www.pt.qld.gov.au

**If you are over 18
you have the right to make a Will.**

**A Will lets you say how you want your
personal items and assets distributed
after you die; you can also say who you
would like to care for your children.**

A Will needs changing as your life changes

You may need to update your Will if you:

- move in with your partner
- get married
- have a child or grandchild
- separate from your partner
- get divorced
- have a change to your assets.

Phone **1300 360 044** to make an appointment
at your nearest Public Trustee Office,
you need to bring identification with you.
