#### Notes:

- Returns greater than one year are annualised.
- These are historical returns and the future returns may vary.
- The return calculation is based on the end of month unit prices.
- Returns assume reinvestment of all distributions.
- The returns are net of the Public Trustee Growth Trust Management costs.
- Investors are referred to the Product Information Statement (see pages 3 and 4) in respect to application and withdrawal (redemption) processes.
- Effective 7 April 2017, the investment strategy is to invest in the QIC Long Term Diversified Fund (formerly known as the QIC Growth Fund). Please refer to the Product Information Statement and additional information for further information, available from our website.

*Past performance is not a reliable indicator of future performance.
